End of Life Notice

DATE: November 5th, 2026

To Our Valued Customers:

Ezurio is officially announcing the End of Life (EOL), effective immediately, for the WB50NBT module family, including the part numbers listed below.

This last time buy window is shorter than Ezurio's standard notice period. The supplier of the WH-SSD50NBT Wi-Fi/Bluetooth SIP used inside the WB50NBT has discontinued it with a short final-order window, and Ezurio must place its own last component orders based on customer commitments received by the dates below.

Ezurio is offering customers a last time buy (LTB) opportunity. LTB purchase orders must be received by November 20th, 2026. If you purchase through one of our distributors, please ensure your order is with them by November 13th, 2026, so the distributor has time to place its order with Ezurio. LTB purchase orders are non-cancellable, non-returnable (NCNR) and all units must be shipped from Ezurio by November 20th, 2027.

Please contact Ezurio sales to discuss migration options and to place LTB orders.

Product(s) Affected:

Ezurio Part Number	Description
WH-WB50NBT	Module, 50 Series, WB50NBT, No Software
453-00107	Module, 50 Series, WB50NBT, No Software
DVK-WB50NBT	Development Kit for WB50NBT

Reason for EOL:

- End of Life (EOL) of the Qualcomm CSR8811 Bluetooth chipset and RF power amplifiers used in the WH-SSD50NBT Wi-Fi-BT SIP inside the WB50NBT.

Suggested/Recommended Alternative:

There is no pin- or footprint-compatible replacement for the WB50NBT. Please contact Ezurio sales to discuss migration options.

Final Date Purchase Orders Will Be Accepted:

November 20th, 2026 (November 13th, 2026 for orders placed through a distributor).

Last Time Buy Conditions:

All purchase orders are non-cancellable and non-returnable (NCNR). Quality issues need to be identified and communicated within 30 days of shipment. Standard MOQ and SPQ apply.

Final Date for Shipments from Ezurio:

All orders will be scheduled with ship dates no later than November 20th, 2027.
