

End of Life (EOL) Notice

July 24th, 2020

To our Valued Customers:

Component, regulatory, and supply chain issues for Laird's **TiWi-5** product family has impacted the future ability to manufacture this product family. Laird is committed to long term supply and support of our industrial modules portfolio and is offering a LTB (Last Time Buy) opportunity as detailed below.

Part numbers affected:

- **450-0053:** Module, TiWi-5
- **450-0053R:** Module, TiWi-5 Tape / Reel
- **450-0085:** Development Kit, COM6L-T5 Adapter Card with U.FL
- **450-0109:** Development Kit, COM6L to BeagleBoard Adapter

Laird is pleased to offer a last-time buy opportunity to customers for the part numbers referenced above. If purchasing direct through Laird, last time buy (LTB) purchase orders must be placed by **December 31st, 2020**. If purchasing through one of our distribution partners, last time buy (LTB) orders must be placed with the distributor by **November 30th, 2020**. Last time buy purchase orders are non-cancellable, non-returnable (NCNR) and all units must be shipped from Laird by **December 31st, 2021**.

For customers considering upgrading from TiWi-5 to newer silicon; Laird has several recommendations. For immediate replacement needs, we recommend the [Sterling-LWB5](#) or [60 Series](#) which is readily available. We have also recently announced the [Sterling-LWB5+](#) which leverages new silicon with an updated feature set. For more information on our Wi-Fi modules portfolio, please visit our [website](#) or contact your normal sales representative.

We apologize for any inconvenience that this may cause. If you have any questions, please call your normal sales representative or one of our regional contact numbers below.

Sincerely,

Jonathan Kaye
Senior Direct, Product Management
