

# End of Life Notice

DATE: September 26<sup>th</sup>, 2025

## To Our Valued Customers:

Ezurio is officially announcing the End of Life (EOL) effective from this notice for the following part numbers from the 60 Series SOM product family. Outlined below is also the recommended pin and footprint compatible hardware drop in replacement parts in the 60 Series SOM product family:

## Product(s) Affected:

Ezurio Part Number	Description	Potential Replacement
453-00137-K1	Development Kit for 60 Series SOM using 1 Gb LPDDR2 RAM and 2 Gb NAND flash	453-00138-K1
453-00137	60 Series SOM using 1 Gb LPDDR2 RAM and 2 Gb NAND flash	453-00138
455-00004	LCD Touchscreen for the 60 Series SOM Development Board (add-on)	No Replacement

In addition to the pin and footprint compatible parts, Ezurio is pleased to offer a last time buy (LTB) opportunity to customers. The LTB purchase orders must be received by December 12th, 2025. LTB purchase orders are non-cancellable, non-returnable (NCNR) and all units must be shipped from Ezurio by June 30th, 2026.

We apologize for any inconvenience that this may cause.

Please contact Ezurio sales to discuss the options for transitioning to the pin and footprint compatible replacement parts and to place LTB orders.

## Reason for EOL:

LPDDR2 and flash memory have reached end of life.

## Suggested/Recommended Alternative:

See table above for recommended alternatives.

## Compatibility Issues:

Software update may be required to support replacement part number.

## Final Date Purchase Orders Will Be Accepted:

December 12<sup>th</sup>, 2025

## Last Time Buy Conditions:

All purchase orders are non-cancellable and non-returnable (NCNR) . Quality issues need to be identified and communicated within 30 days of shipment. Standard MOQ, SPQ and lead time requirements apply.

## Final Date for Shipments from Ezurio:

All orders will be scheduled with ship dates no later than June 30th, 2026.
