2 Description of Changes

All changes have been applied to the part numbers listed above:

- Replace all Laird Connectivity company information and branding with Ezurio company information and branding, including:
 - On product labels
 - Packaging labels inclusive of any reel, anti-static bag, box and carton labels.
- Added Giteki ID to Tape & Reel packaging.

3 Reason for Change

The changes are required to align with the new company information and branding – Ezurio.

Giteki ID was added to be able to check the Certification ID without having to open the packaging.

4 Anticipated Impact of the Change

- There is no form, fit or functional change caused by this PCN, only cosmetic branding changes leading to a revision update.

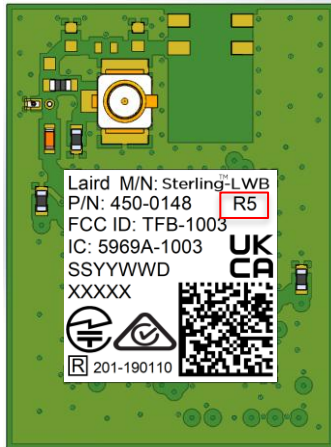

5 Method of Identifying the Changed Product
