

End of Life Notice

DATE: 31st December 2025

To Our Valued Customers:

Ezurio is officially announcing the End of Life (EOL) for the **Sterling LWB series**, which includes the part numbers listed below. Despite our goal of maintaining long product lifetimes, we sometimes must EOL a product due to our inability to manufacture it because of third-party components, supplier consolidations and cost increases. Ezurio has six different Sona Wi-Fi 6 / 6E product families to select from as a potential replacement option and please contact the Ezurio Sales & FAE team to discuss further.

Ezurio is pleased to offer a last time buy (LTB) and any LTB purchase orders must be received by **April 30th, 2026**. If your purchase route is via one of our distributors, please ensure the order is with them by **April 16th, 2026** in order to allow the distributor time to process their order to Ezurio.

LTB purchase orders are non-cancellable, non-returnable (NCNR) and all units must be shipped by **December 30th, 2026**.
