

End of Life Notice

DATE: 31st March 2026

To Our Valued Customers:

Ezurio is officially announcing the End of Life (EOL) for the **Sentrius IG60 series**, which includes the part numbers listed below. Despite our goal of maintaining long product lifetimes, we sometimes must EOL a product due to our inability to manufacture it because of third-party components, supplier consolidations and cost increases.

Ezurio is pleased to offer a last time buy (LTB) and any LTB purchase orders must be received by **October 1st, 2026**. If your purchase route is via one of our distributors, please ensure the order is with them by **September 17th, 2026**, in order to allow the distributor time to process their order to Ezurio.

LTB purchase orders are non-cancellable, non-returnable (NCNR) and all units must be shipped by **April 1st, 2027**.

Products Affected:
