

# End of Life Notice

DATE: 8<sup>th</sup> June 2026

## To Our Valued Customers:

Ezurio is officially announcing the End of Life (EOL) for the **AC4x90 and CL4x90 Series**, which includes the part numbers listed below. Despite our goal of maintaining long product lifetimes, we sometimes must EOL a product due to our inability to manufacture it because of third-party components, supplier consolidations and cost increases.

Ezurio is pleased to offer a last time buy (LTB) and any LTB purchase orders must be received by **July 20<sup>th</sup>, 2026**. If your purchase route is via one of our distributors, please ensure the order is with them by **July 13<sup>th</sup>, 2026**, in order to allow the distributor time to process their order to Ezurio.

LTB purchase orders are non-cancellable, non-returnable (NCNR) and all units must be shipped by **December 31<sup>st</sup>, 2027**.
