

End of Life (EOL) Notice

DATE: 4th September 2026

To Our Valued Customers:

Ezurio is officially announcing the End of Life (EOL) for the following products with the specific part numbers listed below. Despite our goal of maintaining long product lifetimes, we sometimes must EOL a product due to our inability to manufacture it because of third-party components, supplier consolidations and cost increases.

Ezurio is pleased to offer a last time buy (LTB) and any LTB purchase orders must be received by **December 18th, 2026**. If your purchase route is via one of our distributors, please ensure the order is with them by **December 11th, 2026**, in order to allow the distributor time to process their order to Ezurio.

LTB purchase orders are non-cancellable, non-returnable (NCNR) and all units must be shipped by **December 17th, 2027**.
