

RM024 PART NUMBERS AND FIRMWARE

Application Note

v1.1

The highlighted area in [Figure 1](#) shows the hardware revision number of the RM024 module. Each hardware revision ships with a particular firmware revision, which is outlined in [Table 1](#). Modules may be updated to a newer version of firmware, available from the software downloads tab of the [RM024 Product Page](#).

Please see the RM024 Product Brief and other documentation for more specific product details. These are found on the documentation tab of the [RM024 Product Page](#).
